Cable carriers have you covered!

Dry environment type

Applicable products

TKR Series Cable Carriers (excl. TKR37)

Low
humidity

Low debris
generation

TKR15H22

TKR20H28
TKR26H40
TKR28H52

Ideal for low-humidity environments such as for rechargeable battery and LCD manufacturing!

Features

Made with **durable plastic with high cracking resistance even at low humidity.**

Tsubaki's unique bending structure also ensures **low debris generation.**

Flip for Tsubaki's PVDF type with excellent performance even in environments requiring countermeasures for outgassing
